LEASE STATEMENT OF DISCLOSURE

Customer Name #agreement.customername

Vehicle Make/Model #vehicle.name **Color** #vehicle.color **Tag #** #vehicle.tag

V.I.N. #vehicle.vin **Odometer Reading** _____

RIGHT TO RECOVER PROPERTY **#initials** *Customer Initials:* _____	In the event that I fail to renew my agreement and deliver vehicle for equipment removal within 7 days of notification to do so, I hereby give **RNR Tire Express (RNR)**, and/or their agents, permission to recover their property in a non-violent manner, due to my failure to make other arrangements.
EQUIPMENT MODIFICATION AUTHORIZATION/ OPTIMUM PERFORMANCE AGREEMENT **#initials** *Customer Initials:* _____	By signing this form, I am authorizing **RNR** to alter or modify existing equipment to accommodate new equipment. Plus-sizing may cause certain **manufacturers to void part or all of your automobile warranty**. I agree that **RNR** may not be held responsible in the event of warranty alterations or cancellations. I also understand that, to maintain optimum safe performance, the equipment installed on my vehicle **will require that the wheels be re-torqued once the vehicle has been driven 50 miles**. ***Please be advised that wheel locks or locking lug nuts will not prevent theft of wheels. It is the responsibility of the renter to keep vehicle in a secure location.***
ROLL-SAFE DISCLOSURES **#initials** *Customer Initials:* _____	I understand that Roll-Safe Protection on lost/damaged/stolen wheels does not take effect for 90 days. If wheels/tires are stolen or damaged during this time, I agree to pay **RNR** the early purchase option price. I understand that Roll-Safe offers Roadside Assistance at a commercially discounted rate and payment for services must be made at time service is provided.
WHEEL/TIRE ROAD HAZARD REPLACEMENT **#initials** *Customer Initials:* _____	This benefit covers tires and wheels that are damaged due to Road Hazard and not repairable. Road Hazard is defined as an impact break, snag, cut or puncture resulting from a hazard located in the road such as a pothole, rock, nail, wood, tree limb/branch of other debris on the road surface. Tires/wheels qualifying for replacement due to Road Hazard Damage will be subject to the following deductible: **$40 - Off Road & MT Tires Over $250.00**
TIRE PRESSURE MONITORING SYSTEMS **#initials** *Customer Initials:* _____	If my vehicle is equipped with a Tire Pressure Monitoring System (TPMS), I understand that I may be required to take it to an authorized service center at my expense if the TPMS does not properly reset. I also understand that the Tire Industry Association (TIA) recommends that TPMS grommets be replaced each time the wheels or tires are serviced. ***Please select one of the options below:*** **#YESNO** I **do** elect to have these grommets replaced at this time, at my expense. **#YESNO** I **do not** elect to have these grommets replaced at this time.
RECOVERY OF PRODUCT ATTACHED TO ITEMS YOU OWN **#initials** *Customer Initials:* _____	Please note that, **if it becomes necessary for RNR to recover its wheels and/or tires, which may be attached to wheels and/or tires you own, you may recover your items at the RNR store location at your earliest convenience.** In no case, however, will **RNR** be responsible for such items not picked up **within 72 hours,** as mentioned above.
DISPOSAL OF YOUR OLD WHEELS AND TIRES **#initials** *Customer Initials:* _____	Please note that wheels and/or tires attached to a vehicle with current lien are considered part of lien and should be kept and stored by person responsible for lien. **RNR will not be held responsible for wheels and/or tires not picked up at the time of installation.**
